Experience a whole new way to **explore Genoa**.
See for yourself why a segway is the ideal way to tour the city. Each Segway® has two large stable wheels and an advanced gyroscope balancing system that makes the ride totally unique and fun.
Come join us today on a Segway® Tour glide!
To every tourist will be given an mp3 audio-guide spoken in the favourite language (english or italian) that will present all the places visited during the tour.
